ORDER

Before the Court is the report and recommendation from United States Magistrate Judge Dustin Howell concerning Plaintiff Wille E. Bonner’s (“Plaintiff”) Complaint, (Dkt. 1). (R. & R., Dkt. 7). In the report and recommendation, Judge Howell recommends that this Court dismiss Plaintiff’s case for want of prosecution and failure to comply with a court order. (*Id.*). Pursuant to 28 U.S.C. § 636(b) and Rule 1(d) of Appendix C of the Local Rules of the United States District Court for the Western District of Texas, Judge Howell issued his report and recommendation on December 6, 2024. (*Id.*). As of the date of this order, Plaintiff has not filed objections to the report and recommendation.

Pursuant to 28 U.S.C. § 636(b), a party may serve and file specific, written objections to a magistrate judge’s proposed findings and recommendations within fourteen days after being served with a copy of the report and recommendation and, in doing so, secure de novo review by the district court. When no objections are timely filed, a district court can review the magistrate’s report and recommendation for clear error. *See* Fed. R. Civ. P. 72 advisory committee’s note (“When no timely objection is filed, the [district] court need only satisfy itself that there is no clear error on the face of the record in order to accept the recommendation.”).

Because Plaintiff has not filed timely objections, the Court reviews the report and recommendation for clear error. Having done so and finding no clear error, the Court accepts and adopts the report and recommendation as its own order.

Accordingly, the Court **ORDERS** that the Report and Recommendation of the United States Magistrate Judge, (Dkt. 7), is **ADOPTED**. Plaintiff's Complaint, (Dkt. 1), is **DISMISSED WITHOUT PREJUDICE**. The Court will enter final judgment by separate order.

IT IS FINALLY ORDERED that the Clerk's Office mail a copy of this Order to Plaintiff via certified mail.

SIGNED on January 3, 2025.
